

Camp Work Trips to South America

Projects:

There are a variety of projects at each camp. Team members with a variety of skills are needed and everyone is encouraged to bring tools to leave at the camp.

Work Teams:

Camp work trips to Uruguay, Argentina, & Chile to help finish the various construction projects in each camp. The trip will be split into three smaller trips, one to each country. Workers may stay for one, two, three, or four weeks. Limit of 15 members per work team.

Paysandú, Uruguay
