

## Summer Camps

**2Ti 3:16-17 KJV** *All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: (17) That the man of God may be perfect, thoroughly furnished unto all good works.*

The success of a summer camp ministry is not gaged by number, weather, fun, or even great memories. True success is seeing the Word preached then received by kids, teens, and families. **Our 2013 summer camp season was a success!** God used his Word to speak to families struggling with thoughts of divorce, to teens

feeling the Lord's calling to full time service, to college and carrier young people recognizing their double standard lives, and to children realizing their need for a savior.

### Work Teams

On March 12 a team of 11 arrived on camp to tackle the new cabin and fence project. During their two week stay, in spite of delays in getting the needed materials, the team replaced the entire fence along the beach front, got half of the brick on the new cabin done, and roofed our rec hall. **Thank you WA work teams for your help!** Following the work team we had a family of 7 come to continue the work on the fence. They got the remaining riverside fence done, and some much needed cleanup.

**Thank you Anderson family for your work and your friendship!**

## Thursdays

Thursdays continue to be our day to visit Temuco. It means an early start, but it is always worth it. Dan teaches the Missions class at the Bible Institute. While he teaches, Liz visits with the first year students, many of whom have been involved in our camp ministry. It is a time of prayer and encouragement. Micah has his piano lessons and Matthias is learning how to play guitar. Morgan and Madeline tag along but also enjoy spending time with a young lady studying at the BI. We thank the Lord for this opportunity to rub shoulders with the next generation of Christian leaders here in Chile.

## Two Baptized

Dan with Johnny and Johanna

May 5<sup>th</sup> we had the great joy of seeing two young people from the Liquiñe church obey the Lord in believer's baptism. I, Dan, had the privilege of baptizing them in the presence of many of their un-saved friends, family, and neighbors. It was a sweet time of fellowship with our Chilean brothers and sisters, and a new opportunity to preach the gospel. **Please pray, their mother is a member of the church, but their father is not saved.** He has heard the gospel many times but does not believe. Both young people are excited to serve in the church, primarily with children's ministry. Pray as we seek to train them up.
