

The Dan Thompsons in Chile

5 Years in Chile, South America

Micah, Madeline, Matthias and Morgan

On November 28, we will celebrate our 5 year anniversary of ministering here in Chile.

Above all, **we want to thank God for his calling on our lives to serve Him.** Not only does He call but He also empowers to do His will and we

can be thankful that in these last five years we have seen Him working in and through us.

We also want to thank each one of our supporting churches who faithfully send in the promised support which allows us to serve in full time ministry.

Summer is Looming Ahead

Our summer camp activities will start in December with weekend church rentals, but will then turn into busy full weeks in January and February. To help us prepare, we hosted a three day intensive training retreat for our summer staff. Whether

they will be counselors, service staff or involved in program or the kitchen, each participant had the opportunity to work in each area of camp. We had some very profitable counseling workshops and also some time for fun activities to build up group unity.

And finally, **we would like to extend our thanks to each individual supporters** who has sacrificed in a tight economy to keep us on the field.

We look on with anticipation to the next years of ministry God allows us to have in Chile, if Jesus doesn't come for his church first.

Thank you for your prayers for our family and ministry. May God grant us much fruit for our labor in the next coming years.

Prayer Requests:

- Pray for our upcoming summer activities
- Pray for our summer camp staff
- Pray for our camp building needs (new cabin, perimeter fence, and finished recreation hall).
- Pray for clear opportunities to present the gospel
- Pray for Danny as he preaches through the book of Hebrews in our country churches
- Pray for diligence for the kids to finish their school semester well.
- Pray for us as we counsel young people who come onto camp
- Pray for the salvation of Morgan and Madeline.

Pray for our team, that they would make godly decisions in the months before the summer so as not to be disqualified from serving. **Pray for the few members of the team we still need** to run a program of excellence that honors the Lord.

Miguel

Responses to God's Call

From the moment we set foot at Lican Bible Camp, we knew that it was impossible to do ALL the work on our own. Not only did the camp facilities and grounds need attention but the camp program too. God answered our prayers when He called Miguel to come live and work full time on camp. He is now our maintenance director.

Pray for Miguel as he has some important decisions to make in the near future: - marriage is on the horizon, finishing his studies at the Bible Institute, and continuing to work full time on camp after the summer camping season.

God also called Ivan and Nikol to come and serve Him on camp. Ivan has helped greatly in the area of camp programming

and planning. He and his wife have joined us for a couple weeks every summer during their vacation from their full time jobs. Now with their one year old daughter, they responded to God's call on their lives to prepare for full time camp ministry. They will live and work on camp and following their year and half training, will Lord willing take on the directorship of one of our camps.

Pray for Ivan and Nikol: the adjustment has been great from a city life to a country one, for wisdom in raising their daughter (Anais), for flexibility and a willingness to learn what camping ministry is all about.
