

# Morrell Moments

November 2013

## Kids Corner

Sheldon turned seven in October! We had some friends come over to celebrate his birthday with us. The theme was baseball. We had a baseball diamond for a cake with baseball cupcakes all around; we even played baseball too.

Hannah volunteers at Triple J horse barn to help clean water buckets, stalls and to ride horses in exchange. Hannah loves being around the horses. She has been riding Babe and Izzy, but she may get to ride Annie as well sometime.

By: Hannah Morrell

**“Give unto the LORD, O ye mighty, give unto the LORD glory and strength.” Psalm 29:1** What a blessing it is to see the hand of God moving in providing for the needs of the ministry. We have been encouraged to hear several pastors and church leaders indicate that they would like to see the church start supporting the ministry if they are able to work it out in the budget. In addition, we have also had several individuals say that they will start supporting the ministry on a monthly basis. **Praise the Lord for His provision as we get closer to being able to leave for Argentina. Please pray that God would continue to move in the hearts of individuals and churches to support His ministry through us.**

This fall has been a busy time of ministry, mission conferences and a mission trip to Argentina. One of the blessings that we experience in pre-field ministry is visiting churches and meeting brothers and sisters in Christ at various stages in life and ministry. From new believers to retired pastors and missionaries, God’s hand is clearly evident and working in the lives of people. While at a mission conference, we met with a couple that is sensing the Lord’s direction to be missionaries to Ecuador. **Please pray that the Lord would continue to guide them in His will.**

While we were on the mission trip in Argentina, we had the pleasure of getting to know Dathan and Allison Marshall who are sensing the Lord’s leading to be missionaries to Argentina and quite possibly at the camp. They have been married for one year and Dathan is completing his ministry degree. **Please pray that God would continue to cause Dathan and Allison to grow in their relationship and that He would lead them clearly in His will.**

We were blessed to be in Argentina for the two weeks that we were there. We went down to help with a team of over twenty-five people that was assembled from various churches. It was exciting to see the amount of work that was able to be accomplished at camp in such a short period of time. The ceiling in the chapel/dining room was completed, concrete was poured all the way around the main building, one fence line was painted, we installed a little more than half of the chain link fence, and curtains were sewn and installed in the main building and church. **Praise the Lord for His provision for and development of this ministry.**

In an attempt to stay better connected with our supporters, we have added a blog. **To receive these updates as well, please go to [morrellmissions.info](http://morrellmissions.info) and on the right side of the screen add your email to be a follower.**
