The Ministry

Pray for the ministry in Fray Bentos & Young while we are absent. Praise The Lord for our Co-workers (The Duarte & Bobby Vallette). Gabriel, Valeria & Graciela will be taking on some of the responsibilities in the youth ministry, Sunday School, and Christmas Program.

Pray for our Christmas program in Uruguay. This is another great opportunity for the church to share the Gospel with our community. Pray for souls to be saved and believers to be committed to help with the program.

BIBLE INSTITUTE

What a blessing it is to see in the photo above those who took the time and commitment to prepare to serve the Lord in a better capacity. As we are approaching the end of the year, 8 students have completed the two Bible Institute classes that we offered to our church people. It is a blessing to see fulfilled 2 Tim 2:2...able to teach others. Some of the ladies are preparing to teach in our Sunday School classes, and the two men are going to help with preaching and teaching on different occasions. We commit them to you in prayer that all the knowledge and skill they obtained will be a blessing to others in teaching God's Word.

Testimonies from Students: Never too late to continue learning. (Adalila)

Having these tools I can study the Bible much better. (Graciela)

Thanks to The Pastors who invested time in us, so we can now teach others (Jose)

Headlines

October

- **Ladies Retreat:** it was a blessing for Becky and several of the ladies from our church to attend the Ladies Retreat at Camp. They studied the lives of various women in the Bible.
- **Matrijovenes (Teens and Married Couples night):** this year we combined a teen activity and some of the married couples from church for a progressive dinner. It was neat to see these couples welcoming us into their homes and also sharing the Word of God with our teens.
- **Soccer Outreach:** On Monday nights the men and teens from church gather to play soccer with the purpose of inviting unsaved friends to join us and making contacts to invite them to church. Last week we had several first time players. We prayed before the game and introduced ourselves and what we are doing. Please pray for this outreach tool that we may see some fruit from these contacts.
- **Teen Picnic:** Closing our missions month we took the teens to El Palmar for a picnic. We invited a Pastor's son, from Colonia, to share a devotional.

Missions Month

Throughout the month of September we had our Missions emphasis. This year the theme was centered around 2 Corinthians 8:5 *"Give themselves first to The Lord."* We had the wonderful privilege of having 3 veteran missionary families (working in Uruguay) and one couple on deputation to Argentina visit and share their ministries with our church family. This year, as a church, we are committed to take the next step to support missions financially. Pastor Sergio and I have been teaching on Faith Giving, Please pray for us as a church. We are excited to see what the Lord would have us do worldwide. The believers are excited to have a part in the great commission as well.

Another blessing was to close our missions month with an International Banquet. We had more than 70 people in attendance and several of them were unsaved visitors. I had the privilege to preach the Gospel that night and after the service, one of the visitors accepted Jesus as his personal Savior. Praise the Lord!!!!
